

50 YEARS

As Thanksgiving approaches, this is a great time to step back and reflect on what you are thankful for. Need some inspiration? We made a playlist of songs about thankfulness, give it a listen on [Spotify!](#)

We as a company have spent quite some time reflecting about this year ourselves. We came up with a long list of what we are thankful for, but it really can be condensed to two simple things, our customers and our team! To our loyal customers, we are thankful for your continued support and business throughout the years. A large part of our industry is centered around relationship building, and you truly give us the opportunity to do that! To our new and not yet customers, thank you for the chances you have and will give us! We hope to impress you with quality work, service, and benefits – including our 24 month/24,000 mile nationwide warranty on parts and labor. We are thankful for an amazing team that embodies our, “Done Right. Period.” motto. The wonderful people we get to work with make it possible for us to stand behind our work with pride.

Outside of the auto repair industry, there is a lot to be thankful for as well; family, friends, and much more. We want to take this month to specifically express our gratitude for this country’s veterans. Their dedication and sacrifice does not go unnoticed. In honor of the men and women who have served our country, we have Heroes’ Savings all month long (see store for details). To all of the veterans out there, we at Tuffly Tire & Auto Service Center extend our biggest thanks, we hope you feel celebrated and appreciated this Veteran’s Day.
